## @ Sparkle Beauty

### **The Luxury Experience (90 mins)**

**Caviar Experience** 92  
Offering the ultimate luxurious journey for your skin. This encapsulates 100% French Caviar, is packed with essential vitamins and minerals to recharge and take care of your skin needs as well as indulging you in 5 different massages, including a head massage and arm treatment. This anti-ageing facial will leave your skin plumped, smoother and energised.

### **The Anti-Ageing Solutions (60-85 mins)**

**The Sparkle Experience** 82  
Combining our Cell Solution Facial & Dermophyts Sonophoresis Machine. A global and transversal treatment adapted to all ages and all skins in search of a youthful boost. The actions of the treatment;- to provide hydration, sublimate the skin, smooth, recharge the skin with active elements, optimise the protection of skin cells and act as a youth booster.

**Densite Solution** 72  
This great global anti-ageing treatment, incorporating a sculpting massage, with an active mask to help the skin regain its firmness, elasticity and plumpness.

**Corrective Plump Solution** 62  
An alternative to aesthetic medicine, this treatment will reverse the sins of youth to plump wrinkles, smooth the surface area of the skin, blur fine lines and is the perfect answer for a tired, lacklustre skin.

**Corrective Peel Solution** 52  
An alternative to aesthetic medicine, this professional peel treatment will target fine lines, wrinkles & pigmentation to resurface and even out the skin.

**Dermophyts Sonophoresis Machine** 15  
A hand held electrical device, used to stimulate nerve endings and smooth out fine lines and wrinkles. This can be combined with any facial.

### **The Beauty Solutions (45 to 60 mins)**

**Eclat Solution** 62  
A new radiance treatment, that corrects irregularities, smooths, detoxifies and energises the skin. This is the ultimate glow booster for a luminous complexion.

**Fondamentale Solution** 52  
The moisturising and nourishing treatment for malnourished skins to restore comfort and suppleness. Packed with antioxidants to strengthen the skins defences. The skin will appear glowing, healthy and renewed.

**Purete Solution** 52  
The perfect treatment for combination and oily skins. The pores are tightened, the skin texture is clean and shine will be reduced. Active ingredients will act as an antiseptic to the skin, removing any bacteria build up and reducing blemishes, leaving the skin refreshed, rebalanced and radiant.

**Delicate Solution** 52  
This facial is ideal for those with a sensitive skin, it will build the skins natural defences and help to make skin less sensitive. The skin will feel nourished and less red.

**Regard Solution** 45  
The treatment dedicated to the eye contour, using a specialised eye mask. This will drain away toxin build up and smooth fine lines and wrinkles, reserving the youth of the eye area and making the eyes appear less fatigued.

### **Dermaplaning**

A highly effective physical exfoliation procedure, involving the top most layer of dead skin and vellus hair on a persons face. A sterile scalpel will be used, leaving the skin rejuvenated and smoother.

**Standard Dermaplaning** 37  
**Deluxe Dermaplaning** 52  
Includes an enzyme peel and hydration mask.
