

Matis Skin Treatments

The Luxury Experience (90 mins)

Caviar Experience95

Offering the ultimate luxurious journey for your skin. This encapsulates 100% French Caviar, is packed with essential vitamins and minerals to recharge and take care of your skin needs as well as indulging you in 5 different massages, including a head massage and arm treatment. This anti-ageing facial will leave your skin plumped, smoother and energised.

The Anti-Ageing Solutions (60-85 mins).

Densite Solution75

This great global anti-ageing treatment, incorporating a sculpting massage, with an active mask to help the skin regain its firmness, elasticity and plumpness.

Corrective Plump Solution65

An alternative to aesthetic medicine, this treatment will reverse the sins of youth to plump wrinkles, smooth the surface area of the skin, blur fine lines and is the perfect answer for a tired, lacklustre skin.

Corrective Peel Solution55

An alternative to aesthetic medicine, this professional peel treatment will target fine lines, wrinkles & pigmentation to resurface and even out the skin.

The Beauty Solutions (45 to 60 mins)

Eclat Solution65

A new radiance treatment, that corrects irregularities, smooths, detoxifies and energises the skin. This is the ultimate glow booster for a luminous complexion.

Fondamentale Solution55

The moisturising and nourishing treatment for malnourished skins to restore comfort and suppleness. Packed with antioxidants to strengthen the skins defences. The skin will appear glowing, healthy and renewed.

Purete Solution55

The perfect treatment for combination and oily skins. The pores are tightened, the skin texture is clean and shine will be reduced. Active ingredients will act as an antiseptic to the skin, removing any bacteria build up and reducing blemishes, leaving the skin refreshed, rebalanced and radiant.

Delicate Solution55

This facial is ideal for those with a sensitive skin, it will build the skins natural defences and help to make skin less sensitive. The skin will feel nourished and less red.

Regard Solution50

The treatment dedicated to the eye contour, using a specialised eye mask. This will drain away toxin build up and smooth fine lines and wrinkles, reserving the youth of the eye area and making the eyes appear less fatigued.

The Flash Solutions (30 mins)

Corrective30

The express anti-ageing treatment to smooth and plump facial features.

Purete30

The express cleansing treatment to purify and oxygenate the combination to oily and/or dull skins.
